

SCHOOL COMPLAINTS/COMPLIMENTS PROCEDURE

Date	Review Date	Coordinator	Nominated Governor
April 2023	April 2025	Debbie Edwards	Daniel Childerhouse (Chair)

It is important that parents/carers or other stakeholders are able to tell us what we do well in order to celebrate our successes and understand which aspects of our provision is particularly helpful to pupils and/or their families.

It is essential that all compliments are recorded and acknowledged by the school. We recognize that this may be difficult as often compliments can come in a range of formats, from verbal compliments to cards and letters. The compliment form (Annex 4) has been designed to capture compliments. Compliments will be shared with staff within one working week.

Conversely, it is important that we understand areas of our work which may have been deemed unsatisfactory to parents/carers or other stakeholders in order that we can understand and address any issues with our provision and improve our services.

Policy aims

This procedure aims:

- To reassure parents and others with an interest in the school that:
 - any complaint against the school will be dealt with in a fair, open and responsive way
 - the school recognises that a willingness to listen to questions and criticism and to respond positively, can lead to improvements in school practices and provision for pupils.
- To provide a speedy and satisfactory resolution to complaints
- To establish a clear procedure for dealing with compliments/complaints

Monitoring, evaluation and review

This Policy document is reviewed regularly by the school Head Teacher (working with Teachers and Staff) and the Board of Governors regularly.

Reviews include assessment of the implementation and effectiveness of this policy, along with the review arrangements themselves.

Scope of the Procedure:

A complaint is defined as a clear statement of dissatisfaction about any specified aspect of the school's work.

This procedure deals with specified day-to-day complaints against the management and/or operation of the school which fall outside the scope of employment procedures e.g. disciplinary or grievance procedures, or other policies such as whistleblowing which can be found on the school website or from the school office.

It is expected that it will be mainly parents or guardians who will make use of this procedure. The term 'parent' is therefore used throughout the policy as a generic term but the procedures also apply in relation to any other type of complainant.

Complaints may be made by telephone, e-mail, in person or in writing. However, it is preferable that complaints are received in writing.

General arrangements

Records of all conversations and meetings with parents to resolve formal complaints will be kept. At a Board of Governors Complaints Panel meeting, minutes will be taken. To help prevent recurring complaints, copies of correspondence and notes will be kept on file in the school's records, separately from individual pupil records.

If at any stage in the procedure it becomes apparent that the complaint falls outside of this general complaints procedure, parents will be informed.

There may be rare occasions when, despite all the stages of the procedure having been followed, a parent remains dissatisfied. If the parent seeks to re-open the same issue, the school reserves the right to inform him/her in writing that the procedure has been exhausted and the matter is closed.

Stage 1: Informal Stage

On occasions, a parent may raise a concern directly with school staff without any formality. At this stage, it may be unclear whether the parent is making a complaint, seeking information or has misunderstood a situation. In any event, the school aims to resolve the concern at this point in a speedy and effective way.

However, if the concern is not resolved immediately and a complaint is confirmed by the parent, the opportunity to discuss the matter with an appropriate member of staff will be given. In the case of a complaint against the Head Teacher, this stage will always be heard directly by the Head Teacher.

The member of staff will discuss the issue with the parent and those involved in school, with the aim of resolving the complaint as soon as possible. The parent will be informed of the outcome of the investigation and what action, if any, the school proposes to take.

If the informal process has been exhausted and no satisfactory solution has been found, the parent will be asked by the member of staff dealing with the complaint whether he/she wishes the complaint to be considered formally at stage two of this procedure.

If wishing to proceed with the complaint, the parent will be invited to put the complaint in writing to the Head Teacher using the form attached at Appendix 1.

The form should be sent to the Head Teacher within **ten school days**.

Stage 2: Referral to the Chair of School Board of Governors or Head Teacher for further investigation

Where the complaint has been addressed by the Head Teacher at stage one, this stage will be heard by the Chair of the School Board of Governors. Where another staff member has addressed the complaint at stage one, this stage will be heard by the Head Teacher.

The Chair of the School Board of Governors or Head Teacher will acknowledge the written complaint within **five school days** of receipt and provide an opportunity to meet the parent to discuss the complaint.

The Chair of Schools Board of Governors or Head Teacher will investigate the complaint and a written response will normally be made within **ten school days** of receipt of the complaint. If this is not possible, a letter will be sent explaining the reason for the delay and providing a revised target date.

The written response will include full reasons for the conclusions reached by the Chair of Schools Board of Governors or Head Teacher and what action, if any, the school proposes to take to resolve the matter.

If the parent still remains dissatisfied, (s)he will be advised that, in order to progress the complaint further at Stage 3, (s)he must notify the Clerk to the School Board of Governors in writing **within ten school days**, copying the original complaint form.

The Clerk will then ensure that the parent is offered the opportunity of taking the complaint to the Schools Board of Governors' Complaints Panel at Stage 3 of this Procedure.

Stage 3: Review by the School Board of Governors' Complaints Panel

Complaints only rarely reach this level. However, when the need arises, the Schools Board of Governors' Complaints Panel (established according to the suggested composition detailed in Appendix 2 attached) will consider complaints at this stage.

A written acknowledgement of the complaint and the request for it to be heard at Stage 3 of the Procedure will be sent by the parent to the Clerk (to the Schools Board of Governors) within **five school days**.

The letter will inform the parent that the complaint will be heard by the School's Board of Governors' Complaints Panel within **twenty school days** of receiving the complaint. It will also inform the parent of the right to submit any further documents other than the complaint form and that these must be made available to the panel within **five school days** of receipt of the acknowledgement letter. The right to call witnesses to the meeting, subject to the approval of the Chair of the panel, and the right of the parent to be accompanied by a companion of her/his choice, will also be explained in the letter.

The Clerk to the Schools Board of Governors will send a copy of the letter of acknowledgement of the complaint to the Chair of Schools Board of Governors and/or Head Teacher and request a written report in response to the complaint to the panel within **five school days** of receipt of the letter.

The right to call witnesses, subject to the approval of the Chair, will also be explained.

The Clerk to the Schools Board of Governors will then convene a panel meeting, having consulted with all parties on convenient times. The date, time and venue for the meeting will then be confirmed at least **five school days** in advance.

The names of all parties and witnesses (if any) to attend the meeting and all relevant documents to be referred to at the meeting will also be provided by the Chair of the panel to: the parent; the Chair of Schools Board of Governors and/or Head Teacher; and each panel member. This will be provided as soon as possible and, in any event, at least **five school days** prior to the meeting.

The meeting will be held following the procedures for hearing a complaint detailed in Appendix 3.

A written decision will be sent to both the parent and the Chair of Schools Board of Governors and/or Head Teacher by the Chair of the panel within **ten school days** of the hearing.

The letter will explain that the decision of the Schools Board of Governors' Complaints Panel is final but that complaints can be taken to the Secretary of State for Education and Skills under the Education Act 1996, on the grounds that:

- A School Board of Governors or Local Authority is acting or proposing to act unreasonably; or
- The School Board of Governors or the Local Authority has failed to discharge its duties under the Act.

Appendix 2

Composition of the Schools Board of Governors' Complaints Panel

The Schools Board of Governors' Complaints Panel (panel) should consist of three members of the School Board of Governors together with an independent member who is not involved with the management of the school.

A Chair of the panel should also be appointed.

The School Board of Governors may decide to appoint the three members annually, together with three reserves, designated in the order in which they would be called upon to stand in order to ensure that three School Governors will be available to meet within the timescales.

The Governors may wish to consider the advantages of having a parent governor as a member of the panel.

No member of the panel should have had prior involvement with the complaint. As the Chair of the School Board of Governors may be involved at an earlier stage in the procedure (particularly where the complaint is about the Head Teacher) it may be wise not to include the Chair as a member of the panel to avoid any possible conflict of interest and maintain impartiality.

It is not considered appropriate for the Head Teacher to be a member of the panel.

The role of the Head Teacher would be to attend the panel hearing to give evidence and s/he may choose to invite staff directly involved in matters raised by the complainant (subject to the approval of the Chair of the panel).

Appendix 3

Introduction

The aim of the meeting is to resolve the complaint and achieve a reconciliation between the school and the parent.

The Chair of the panel will ensure that the meeting is properly minuted. Although the meeting will follow the structured order below, given potential sensitivities and anxieties, the Chair will endeavour to ensure that the proceedings are as informal as possible and that all parties are put at their ease.

The introduction of new information or witnesses, previously not notified to all parties, would be reason to adjourn the meeting so that everyone has time to consider and respond to the new information.

The current Chair of Governors is: **Daniel Childerhouse**

The current Chair of the Board of Governors Complaints Panel is: **Daniel Childerhouse** The current Clerk to the Governors is: **Helen Paterson**
