Date	Review Date	Owner	Nominated Governor
12 th October 2022	12 th October 2024	Jane Maclennan	Sharon Moy

1. Aims

We are committed to meeting our obligations with regards to school attendance by:

- Promoting good attendance and reducing absence, including persistent absence
- Ensuring every student has access to full-time education to which they are entitled
- Acting early to address patterns of absence

We will also support parents to perform their legal duty to ensure their children of compulsory school age attend regularly, and will promote and support punctuality in attending lessons.

2. Legislation and guidance

This policy meets the requirements from the Department for Education (DfE), [Working together to improve school attendance \(publishing.service.gov.uk\)](#) and refers to the DfE's statutory guidance on [school attendance parental responsibility measures](#). These documents are drawn from the following legislation setting out the legal powers and duties that govern school attendance:

Part 6 of [The Education Act 1996](#)

Part 3 of [The Education Act 2002](#)

Part 7 of [The Education and Inspections Act 2006](#)

[The Education \(Student Registration\) \(England\) Regulations 2006](#) (and [2010](#), [2011](#), [2013](#), [2016](#) amendments)

[The Education \(Penalty Notices\) \(England\) \(Amendment\) Regulations 2013](#)

This policy also refers to the DfE's guidance on the [school census](#), which explains the persistent absence threshold.

- Implementation of this policy at the school
- Monitoring school-level absence data and reporting it to governors
- Supporting staff with monitoring the attendance of individual students
- Issuing fixed-penalty notices, where necessary

3.4 The attendance officer

The school attendance officer:

- Monitors attendance data across the school and at an individual student level
- Reports concerns about attendance to the SLT
- Works with education welfare officers to tackle persistent absence
- Arranges calls and meetings with parents to discuss attendance issues
- Advises the Headteacher when to issue fixed-penalty notices

3.5 School [admin/office] staff

School [admin/office] staff are expected to take calls from parents about absence and pass on the information to the school's attendance officer.

4. Recording attendance

4.1 Attendance register

We will keep an attendance register, and place all students onto this register.

We will take our attendance register at the start of each school day and once during the second session. It will mark whether every student is:

- Present
- Attending an approved off-site educational activity
- Absent
- Unable to attend due to exceptional circumstances

See appendix 1 for the DfE attendance codes.

We will keep every entry on the attendance register for 3 years after the date on which the entry was made.

Students must arrive in school by 8:45 on each school day.

The register for the first session will be taken at 8.45 and will be kept open until 9.30.

The register for the second session will be taken at 12.00 and will be kept open until 12.45

4.2 Unplanned absence

The student's parent/carer must notify the school on the first day of an unplanned absence by 9.00am or as soon as practically possible (see also section 7).

Parents/ carers need to ensure that they have contacted the school on the main number 01603 251310 by 9.00am.

We will mark absence due to illness as authorised unless the school has a genuine concern about the authenticity of the illness.

If the authenticity of the illness is in doubt, the school may ask the student's parent/carer to provide medical evidence, such as a doctor's note, prescription, appointment card or other appropriate form of evidence. We will not ask for medical evidence unnecessarily.

If the school is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised and parents/carers will be notified of this.

4.3 Planned absence

Attending a medical or dental appointment will be counted as authorised as long as the student's parent/carer notifies the school of the appointment.

Parents and Carers should email the school with evidence of an appointment to (office@futureeducation.org.uk) or bring the documentation to school.

However, we encourage parents/carers to make medical and dental appointments out of school hours where possible. Where this is not possible, the student should be out of school for the minimum amount of time necessary.

The student's parent/carer must also apply for other types of term-time absence as far in advance as possible of the requested absence. Go to section 5 to find out which term-time absences the school can authorise.

4.4 Lateness and punctuality

A student who arrives late:

- Before the register has closed will be marked as late, using the appropriate code
- After the register has closed will be marked as absent, using the appropriate code
- Where a student is persistently late, parents/carers will be invited in for an attendance support meeting.

4.5 Following up absence

Where any child we expect to attend school does not attend, or stops attending, the school will:

- Follow up on their absence with their parent/carer to ascertain the reason, by making a telephone call.
- Ensure safeguarding action is taken where necessary (see whole school safeguarding and child protection policy) and in response to Children Missing in Education.
- Future Education understands that children being absent, as well as missing, from education can be warning sign of a range of safeguarding concerns, including sexual abuse, sexual exploitation or child criminal exploitation as stated in KCSIE 2023.
- Identify whether the absence is approved or not
- Identify the correct attendance code to use

4.6 Reporting to parents

Student attendance is reported to parents annually.

5. Ed Class.

5.1

Future Education will use Ed class to support students who need, for whatever reason, to be educated off site.

Ed Class is an DFE approved online platform that offers a virtual learning classroom and management portal with resources to impact learning, assessment, catch up at both KS3 and 4.

In order that students are able to gain a B code (supervised off site educational activity) they will need to log on during register periods 09:00 – 9.45 and 12.00 – 12.45.

In order to gain an attendance mark, students will be expected to complete a least three questions from the learning session.

6. Authorised and unauthorised absence

6.1 Approval for term-time absence

The Headteacher will only grant a leave of absence to students during term time if they consider there to be 'exceptional circumstances'. A leave of absence is granted at the Headteacher's discretion. The school considers each application for term-time absence individually, taking into account the specific facts, circumstances and relevant context behind the request.

Valid reasons for **authorised absence** include:

- Illness and medical/dental appointments (see sections 4.2 and 4.3 for more detail)
- Religious observance – where the day is exclusively set apart for religious observance by the religious body to which the student's parents belong. If necessary, the school will seek advice from the parents' religious body to confirm whether the day is set apart
- Traveller students travelling for occupational purposes – this covers Roma, English and Welsh Gypsies, Irish and Scottish Travellers, Showmen (fairground people) and Circus people, Bargees (occupational boat dwellers) and New Travellers. Absence may be authorised only when a Traveller family is known to be travelling for occupational purposes and has agreed this with the school but it is not known whether the student is attending educational provision
- Other possible 'exceptional circumstances' where the Headteacher may grant term-time holiday. Headteacher should not grant leave of absence unless there are exceptional circumstances. The application must be made in advance and the Headteacher must be satisfied that there are exceptional circumstances based on the individual facts and circumstances and the case which warrant leave. Where a leave of absence is granted the Headteacher will determine the number of days a student can be away from school. A leave of absence is granted entirely at the Headteachers discretion
- Study leave – should be used sparingly and only granted to year 11 students during public examinations. Provision should still be made available for those students who want to continue to come into school to revise.
- Part time timetables: All students of compulsory school age are entitled to a full-time education. In very exceptional circumstances there may be need for a temporary part time timetable to meet a student's individual's needs. For example, where a medical condition prevents a student from attending full time education and a part time timetable is considered as part of a reintegration package. A part time timetable must not be treated as a long-term solution. Any pastoral support programme or other agreement must have a time limit by which point the student is expected to attend full time or be provided with an alternative provision.

6.2 Reducing persistent absence

- Where a student is persistently absent, parent/carers will be asked to attend an attendance support meeting. The issues will be discussed and barriers of concern identified. In this meeting parents/carers will be made aware of the attendance process followed by the school
- Early intervention attendance support meeting – Action plan will be put in place.
- Fast track – A process by which the school can prosecute parents/carers for non-attendance at school.

6.3 Legal sanctions

The school or local authority can fine parents for the unauthorised absence of their child from school, where the child is of compulsory school age.

If issued with a fine, or penalty notice, each parent must pay £60 within 21 days or £120 within 28 days. The payment must be made directly to the local authority.

Penalty notices can be issued by a Headteacher, local authority officer or the police.

The decision on whether or not to issue a penalty notice may take into account:

- The number of unauthorised absences occurring within a rolling academic year
- One-off instances of irregular attendance, such as holidays taken in term time without permission
- Where an excluded student is found in a public place during school hours without a justifiable reason

If the payment has not been made after 28 days, the local authority can decide whether to prosecute or withdraw the notice.

7. Strategies for promoting attendance

Future Education strives to ensure that all students feel safe and happy in order to attend school.

Approaches taken:

- Meet and greet by staff every morning
- Form Tutor seen every morning and afternoon
- Merit system which rewards attendance on a lesson by lesson basis.
- Vouchers at the end of each half term for attendance merits earned
- Special tutor group breakfast for winning group in merits- the golden platter
- End of half term lunch for highest merit achievers in each tutor group
- 100% Attendance to expected school sessions is celebrated with certificates for Great Attendance issued along with mentions in assemblies.
- Weekly assemblies celebrate student's attendance.
- Displays in the school celebrate student's weekly attendance in line with assembly.
- Star of the week – celebrates three students each week who done great things.
- Quiet lunch room.
- Games room at lunch
- Group country walks with dog.
- Open door policy – students can talk freely about their worries.

- Regular contact with parents on a daily basis
- Supportive timetables for individual students to exploit identified interests in specific subjects

8. Attendance monitoring

The attendance officer at our school monitors student absence on a daily basis.

A student's parent/carer is expected to call the school in the morning if their child is going to be absent due to ill health (see section 4.2).

Parent / carer is expected to contact the school every day that their child is absent from school. Parent / Carers are expected to contact the school by 9.30 every day.

If a student's absence continues to rise after contacting their parent/carer, we will consider involving an education welfare officer.

The persistent absence threshold is 10%. If a student's individual overall absence rate is greater than or equal to 10%, the student will be classified as a persistent absentee.

Student-level absence data will be collected each term and published at national and local authority level through the DfE's school absence national statistics releases. The underlying school-level absence data is published alongside the national statistics. The school will compare attendance data to the national average, and share this with the governing board.

Future Education collects and stores attendance data, and uses this for internal purposes. For example, to:

- Track the attendance of individual students
- Identify whether or not there are particular groups of children whose absences may be a cause for concern
- Monitor and evaluate those children identified as needing intervention and support.

9. Attendance and safeguarding

- Weekly meeting to discuss all students, their attendance and safeguarding concerns.
- Daily phone calls to students who have not attended.
- Home visits and welfare checks take place where a student has unauthorised attendance for 5 days. Depending on the location and situation of the student, a home visit or online call (with parent and student) will be carried out. If the online call is unsuccessful and the child is not seen, a member of staff will complete a home visit on the same day or proceeding day to ensure that the child is safe.
- School will report to CADS/ social workers / police where attendance is a concern.

Future Education is dedicated to safeguarding the students and staff at the school. All staff follow the guidance of 'Keeping Children Safe in Education' and Future Education safeguarding policy, they observe behaviour, offer a listening ear, and report concerns to the DSL.

10. Monitoring arrangements

This policy will be reviewed as guidance from the local authority or DfE is updated, and as a minimum yearly, by Jane Maclennan Deputy Headteacher. At every review, the policy will be approved by the full governing board.

11. Additional needs of pupils

Future Education takes into account any reasonable adjustments required and fully complies with the Equality Act of 2010 in response to attendance.

In discussion with parents and outside agencies, supportive packages may be put in place to meet a child's additional needs in accordance with the Equality Act 2010.
